Old Business discussed:

- a. Nan's closet donation of \$500 towards basketball pad at City park. Total raised to date \$1,205.00
- b. Check for Fireworks to Jody VanDeaver - \$2,000.00. Donations remaining for next year \$384.00
- c. Data grab for new software 05/06/21. Old company finally reached out regarding exit plan on 05/11/2021
- d. Ditch cleanout – moving along. 4 residential culverts and 2 city street intersection have been replaced. 15-18 culverts have been water blasted and cleaned out. Creek @ Bennett Street has been cleaned as much as possible with grade-all to allow for better flow. Over 500 cubic yards of dirt has been removed from ditches and donated to residents that have requested it. Contractor intentionally cut ditches a little lower than culvert pipes to allow for silting in of future road edge blading as well as silting from the culverts that were able to be water blasted instead of replaced. Contractor suggested an ordinance, as held in other cities, that prohibits residents from burning leaves in ditches – being that it accelerates the filling in of ditches.
