- Motion was made by Josh Daigle and seconded by Tonya Clanton to close City Hall office (for traffic and safety) and have employees on call. Motion passed 4-0
- Motion was made to table removal and appointment of an EDC member until suggested members can be contacted

Old Business discussed/actioned:

- S. Main Street grant update – TDA CDBG CDV21-0388 – Construction is currently at a standstill. The engineer nor the contractor properly inspected the site during the planning phase. The oversight came to a head when the contractor was installing new driveway culverts and “discovered” that there was a concrete type of base in the road that he felt he could not remove. Currently, the engineer is outsourcing to a firm to determine the exact substance and then submitting their findings and new plan to the City and the contractor. The deadline for completion has been extended to August 31, 2024.
- ARP – American Rescue Plan Funds – remaining funds of \$56,514.01 must be obligated to a project by 12/31/24 – and projects completed and funded by 12/31/2026.
 - Bids are being taken to close off City shop back door/wall and modify front door to a roll up bay door (13’1” wide by 10’8” tall)
 - Council instructed to reach back out to Well Service Company
 - Sewer machine replacement/repair quote forthcoming
- Old City Hall – structural repairs completed. Next items include interior paint and flooring.

Motion was made by Josh Daigle and seconded by Terrie Shelby to approve the regular monthly bills as well as those listed below. Motion carried 4-0

- Allen Lumber - \$3,570.00 – 4 metal culverts for S. Main

After review Motion was made by Tonya Clanton and seconded by Terrie Shelby to approve the minutes. Motion carried 4-0
